ECON 122 2026 EXAM SCOPE

Disclaimer: This revision material is intended solely as a study aid to assist students in preparing for the examination. The inclusion of any topic or calculation in this material does not guarantee or imply that it will be assessed in the examination. Students are encouraged to use this material to guide their revision and to ensure that they prepare comprehensively for the examination in accordance with the prescribed module content.

1. EXAM PREPARATION CHECKLIST: CALCULATIONS

Instructions: Go through each topic and indicate your current level of preparation by ticking the appropriate box. Be honest with yourself so that you can identify the areas that require more attention before the examination.

Preparation key:

- ☐ **Not yet prepared**: I do not understand the topic well enough to answer questions independently.
- ☐ **Partially prepared**: I understand some concepts but need more practice with calculations.
- ☐ **Well prepared**: I understand the topic and can perform the calculations independently.

No.	Topic	Not yet prepared	Partially prepared	Well prepared
1	**Gross Domestic Product (GDP)**			
1.1	Calculating GDP at factor cost and market prices	☐	☐	☐
1.2	Calculating GDP using the income method	☐	☐	☐
1.3	Calculating GDP using the production (value-added) method	☐	☐	☐
1.4	Calculating GDP using the expenditure method	☐	☐	☐
2	**Inflation**			
2.1	Calculating the month-on-month inflation rate	☐	☐	☐
2.2	Calculating the year-on-year inflation rate	☐	☐	☐
3	**Unemployment and the Labour Market**			
3.1	Calculating the narrow unemployment rate	☐	☐	☐
3.2	Calculating the broad unemployment	☐	☐	☐

	rate			
3.3	Identifying and calculating the labour force	☐	☐	☐
3.4	Calculating the labour force participation rate	☐	☐	☐
4	**Money Supply**			
4.1	Calculating M1	☐	☐	☐
4.2	Calculating M2	☐	☐	☐
4.3	Calculating M3	☐	☐	☐
5	**Taxation**			
5.1	Calculating the tax rate	☐	☐	☐
5.2	Calculating the effective tax rate	☐	☐	☐
5.3	Calculating the marginal tax rate	☐	☐	☐
6	**International Trade**			
6.1	Calculating absolute advantage	☐	☐	☐
6.2	Calculating comparative advantage	☐	☐	☐
6.3	Calculating the terms of trade	☐	☐	☐
7	**The Keynesian Model**			
7.1	Calculating the consumption function	☐	☐	☐
7.2	Calculating equilibrium income using the multiplier approach	☐	☐	☐
7.3	Calculating equilibrium income using the expenditure approach	☐	☐	☐
7.4	Calculating the multiplier	☐	☐	☐
7.5	Calculating savings	☐	☐	☐
7.6	Calculating changes in equilibrium income	☐	☐	☐

My revision priorities

1. The topic I need to spend the most time on: _____
2. The topic I need to practise more: _____
3. The topic I feel most confident about: _____

2. EXAM PREPARATION CHECKLIST: THEORY

Instructions: Go through each topic and indicate your current level of preparation by ticking the appropriate box. Use this checklist to identify areas that require further revision.

Preparation key:

- ☐ **Not yet prepared:** I struggle to explain or discuss this topic.
- ☐ **Partially prepared:** I understand some aspects of the topic but need further revision.
- ☐ **Well prepared:** I can explain and discuss this topic confidently and independently.

No.	Topic	Not yet prepared	Partially prepared	Well prepared
1	**Macroeconomic Objectives**			
1.1	Defining and discussing macroeconomic objectives	☐	☐	☐
2	**National Income Accounting**			
2.1	Gross Domestic Product (GDP) vs Gross Domestic Expenditure (GDE) vs Gross National Income (GNI)	☐	☐	☐
3	**Money and Banking**			
3.1	The three functions of money	☐	☐	☐
3.2	Types of demand for money and factors influencing the demand for money	☐	☐	☐
3.3	The money creation process	☐	☐	☐
3.4	The role and functions of the South African Reserve Bank	☐	☐	☐
4	**Market Failure and Government Intervention**			
4.1	Market failure and its causes	☐	☐	☐
4.2	Externalities	☐	☐	☐
4.3	The need for government intervention	☐	☐	☐
4.4	Government failure	☐	☐	☐
4.5	Government spending and taxation	☐	☐	☐
5	**Business Cycles and Inflation**			
5.1	Theories of business cycles	☐	☐	☐
5.2	Theories explaining the causes of inflation	☐	☐	☐

6	**International Trade and Globalisation**			
6.1	Globalisation	☐	☐	☐
6.2	Theories of international trade	☐	☐	☐
6.3	Exchange rate determination	☐	☐	☐
6.4	Exchange rate and trade policies	☐	☐	☐
7	**The Keynesian Model**			
7.1	Determination of income using the Keynesian model	☐	☐	☐
8	**Unemployment**			
8.1	Types of unemployment	☐	☐	☐
8.2	Causes of unemployment	☐	☐	☐
8.3	Effects of unemployment	☐	☐	☐

My revision priorities

1. The topic I need to spend the most time on: _____
2. The topic I need to practise explaining or discussing: _____
3. The topic I feel most confident about: _____
